Kacou 53 (Kc.53) : The Seven Dimensions

Prophet Kacou Philippe

Messenger of Matthew 25:6 and Revelation 12:14

Who is Prophet Kacou Philippe?

★ Biography

Youth

Kacou Philippe was born in December 1972 in Katadji, in the department of Sikensi (Ivory Coast). He is the son of an illiterate farmer. After primary school, Kacou Philippe was only able to do the first four grades of secondary education. From 1992 to 2002, he spent most of his time as a worker on construction sites.

First steps in Christianity

Everything starts with a vision that he has on April 24, 1993. First, he goes to a catholic priest to inquire about the meaning of the vision. Then, he goes to the Baptists with whom he spends three months and after that, he comes across the movement of William Branham, an American evangelist. He remains with the movement as a mere church member from 1993 to 2002.

The beginning of the ministry

Kacou Philippe starts open-air preaching in July 2002, after a second visitation of the angel that he saw in 1993. He claims to be the prophet messenger of the midnight cry, according to Matthew 25:6. For Prophet Kacou Philippe, all the churches are serving the devil in the name of Jesus Christ. He relates several times another vision that he had in 1993, and in which he says he saw church leaders with strange appearances:

“Their bodies were human bodies, but their heads were heads of different animals”. The first debates and confrontations then start.

Kacou Philippe preaches several mysteries, such as: “If God destroyed all evil with the Flood at the time of Noah, then how did evil come again on the earth after the Flood?” And this sermon has been published entirely by a Cameroonian newspaper. Kacou Philippe states that his words have the same value as the words of the prophets of the bible.

★Thoughts

The baptism according to Kacou Philippe

For Kacou Philippe, the Church starts with John the Baptist, and it was the baptism of repentance. Then the baptism of remission of sins with the apostles, then the baptism of justification by faith with Martin Luther; then the baptism of the renaissance of the Church after the first Roman persecutions; then the baptism of adoption; then the baptism of sanctification with John Wesley; then the baptism of regeneration with Pentecostalism; the baptism of restoration with William Branham and now the baptism of restitution with Prophet Kacou Philippe. And he asserts that apart from this, any other baptism is fake, even if it is done in the name of Jesus Christ or in the name of the Father, the Son and the Holy Spirit by immersion.

Kacou Philippe and Christianity

Kacou Philippe considers the Bible as the rear-view mirror of a car or a book of history. For him, the Bible is a vestige of the Judeo-Christian prehistory and can in no way give eternal Life. He burns all the Bible versions that he considers dangerous for the faith, such as Tob, King

James, Thompson, Scofield and Louis Segond. He redefines what the Word of God is, establishing the difference between the Word of God (revealed truths) and theology (knowledge acquired through intelligence). He redefines the divinity of Jesus Christ, the confession of sins which must be public, woman's place in the Church, water baptism, the Holy Spirit, the prophet, the Bible, the relation between Church and State and many other aspects of Christianity. On this, he refused to respond to a summons from the General information police of Ivory Coast. He redefines the whole of Christianity in a book called The Book of Prophet Kacou Philippe, published in three volumes by Édilivre in France… See Newspaper: Le Jour Plus N°3399 of April 15, 2016 and the newspaper Le Sursaut N. of April 15, 2016.

In March 2008, Kacou Philippe gathers all the religious leaders of his country, journalists and the civil society for a conference on Christianity, in which he judges the church. A newspaper portrays him as the maestro of the Word of God. After that conference, a newspaper read in its headlines, "A prophet unveils men of God". Like William Branham, Kacou Philippe mentions a supernatural presence which he attributes to the angel of April 24, 1993.

In 2008, the sermons of Prophet Kacou Philippe starts to be translated into other languages. Newspapers publish his sermons entirely, even outside Ivory Coast. A Cameroonian newspaper puts on its headlines: Kacou Philippe, A prophet reforming Christianity. On the media like Africa Number 1, debates start. Some people answer back indirectly, while others do so overtly and violently. Some other people go further, taking the doctrines of Kacou Philippe one by one to better neutralize them.

On May 13, 2016, Prophet Kacou Philippe is arrested at his home by the Ivorian authorities for defiance of the State authority, incitement to religious hatred and religious radicalism. He spends four days and four nights sitting on a chair on the premises of the general information police of Ivory Coast. Then, he spends two days and two nights in the basement of the police headquarters of Abidjan and three months at the biggest prison of Abidjan, before getting back his freedom on the night of August 16, 2016, being deprived of all civil rights, forbidden to preach the Gospel for a period of five years. The Togolese and Cameroonian press called the trial ambiguous. Later, some Ivorian religious leaders admitted to being behind his arrest and imprisonment.

MINISTERIAL DISPENSATION THE DIFFERENT PHASES OF THE MINISTRY

For Kacou Philippe, his prophetic ministry has two main phases or identities. The first phase, which he considered an inheritance from his father, William Marrion Branham, is the fulfillment of Matthew 25:6 and encompasses all the revelations contained in chapters 1 to chapter 154 of his book called *The Book of Prophet Kacou Philippe*. The second phase, which is prophetism, dreams, and visions, is the collection of revelations from chapters 155 to chapter 162 of his book. And from chapter 163, and an undetermined number of chapters for the time being, comprises the whole of the testimonies of healing and miracles confirming his ministry through various healing services in several countries around the world, up until the fulfillment of the vision of the big stadium he had in 1993.

Prophetism according Kacou Philippe

According to Kacou Philippe, dreams and visions are the sacred language between gods and humans, including the Supreme God. He compares dreams and visions to traffic laws and road signs on humanity's journey toward God; therefore, ignoring a dream or vision is to mock God. Thus, according to him, this is a subject that should be addressed in all churches and religions worldwide to demonstrate the importance of dreams and visions to the faithful. However, the interpretation of dreams and visions should be approached with great wisdom and caution by any religious leader, for it is by a gift from God that it should be done.

Kacou Philippe’s Healing Services

On June 5, 2022, Kacou Philippe had a vision in which an angel gave him a blue notebook and instructed him to go to South Africa. At the appointed time, he understood that the blue notebook was a passport and that after more than 20 years of ministry without leaving Ivory Coast, God was now commanding him to undertake missionary trips and he was to go first to South Africa to retrieve the gift of healing left by William Branham. Through several dreams and visions, he understood that he should organize healing and miracle services free of charge. An angel instructed him in 2021 never to accept money or gifts in kind from anyone, for any reason whatsoever, during his healing services. He begins his first healing services in South Africa in March 2025 in several cities, including Johannesburg, Pretoria, Middelburg, and Zebediela, and in April 2025 in Zimbabwe, after experiencing some minor difficulties obtaining a visa. Healing services in Zimbabwe took place in the cities of Harare and Bulawayo from April 16 to 21, 2025. Several sick people — blind, paralysed, lame, HIV patients, and deaf —

were healed instantly or days later, according to several testimonies. Numerous South African, Zimbabwean, Ivorian, Beninese, Cameroonian, and Central African press outlets, as well as major newspapers such as the Herald and the Chronicle, reported on Prophet Kacou Philippe's trips to South Africa and Zimbabwe. According to Kacou Philippe, his missionary trip to South Africa and then Zimbabwe, as well as his miracles, are identical to those of William Branham in his time in 1951. This similarity of miracles could be verified by reading or listening to chapters 163 and 164 of the book of Prophet Kacou Philippe and the book of official testimonies, William Branham, a Prophet Visits South Africa by Julius Stadsklev. This similarity would lead to the conclusion that the angel of the Ohio River is the same angel who is with Prophet Kacou Philippe. After Zimbabwe, Kacou Philippe was scheduled to visit Gabon in June 2025, but the Gabonese state refused him a visa because of religious leaders who are hostile to the free healing services of Prophet Kacou Philippe for various reasons, but especially because of the entirely free nature of Prophet Kacou Philippe's healing services, in strict obedience to the instruction of an angel in a vision in 2021. This led to the cancellation of his program in Gabon and programs in other countries such as Benin, Togo, Cameroon, Congo Brazzaville and Congo Kinshasa.

Important information before reading

The Message of Prophet Kacou Philippe has more than 100 chapters, and this is only one of them.

The Message of Matthew 25:6 - Integral text
KACOU 53 (KC.53):THE SEVEN DIMENSIONS

(Preached on Sunday morning, May 1, 2005 in Locodjro, Abidjan – Ivory Coast)

1 Well. I would like to explain to the new people why we believe that the order to burn these false versions of bibles comes from God. For some, they burn them because God has revealed through a prophet that a spirit of divination stood behind them, that is the true faith. They do it by faith because God has said to do it. But for others, they burn them because they see errors, because they see: "Louis Segond, doctor of theology". If there were no errors, they would not believe. Yet, the Lord said in Matthew 18:3: "Verily I say to you, Unless ye,... become as little children, ye will not at all enter into the Kingdom of the Heavens. "

2 Thus, we do not burn the Bible, the Holy Bible which is our foundation but false versions of bibles. [Ed: The congregation says, "Amen!"]. Let's read Acts 19:19: "And many of those that practised curious arts brought their books of charms and burnt them before all. And they reckoned up the prices of them, and found it fifty thousand pieces of silver." You see? That is what happened in the beginning.*[Kc.57v9-13]*

3 Verse 18 says that they confessed publicly. "And many of those that believed came confessing and declaring their deeds." There were two categories of books: on the one hand, books called "apocryphal books" and on the other hand books called "Talmud", which are the books of the priests and rabbis aiming to explain what Moses said. The Talmud is the image of the hadiths of Islam aiming to report and explain what Mahomet said. The Talmud is a demonic book. There is the Talmud of Babylon and the Talmud of Jerusalem.

4 And all those so-called sacred books were burnt by the Apostles. The Apostles burnt precious books inspired from the Psalms and books of Moses and the prophets. Books which were claimed to bring a greater light of what Moses had said. The Apostles said, "No matter who wrote that, no matter his sincerity and his attachment to Moses, burn these books. Because behind these books are the demons, fallen angels that answer you when you pray. It is the God who has created you, the God of Moses that sends us towards you!"

5 And God ordered them to burn those books for, at the end of all things, Satan and his angels will be cast into fire. That was the order of the Message of their time. But also, it was a law of God that any hiding-place of Satan should be burnt and in those days those books were the hiding-place of Satan on the earth.

6 And those who accepted Jesus Christ then brought the Pharisee evangelical books, the false translations of the Old Testament, of the Torah which are the five books of Moses, the Essene evangelical books, the evangelical books of the Hellenists, the evangelical books of the disciples of Moses, the evangelical books of the companions of Moses, the books of Rabbi so-and-so, the book of Rabbi so-and-so... the book of the priest so-and-so, the book of the chief priest so-and-so... the book of the scribe so-and-so... the book of the superintendent so-and-so... the books on such and such subjects, all kinds of books...but the Apostles burnt them all on the altar of Acts 19:19! [Ed: The congregation says, "Amen!"].

7 Which book do you think a Jew will believe or have with him if this book does not talk of Moses, Abraham, Elijah, David or of the prophets? You say, "Brother Philippe, in that time, people did not observe the law, each one did what he wanted!" No, brethren, the Bible says that they were Jews and I also tell you that the law was observed literally like in Moses' days! As a proof, a woman taken in the fact of adultery was going to be stoned if Jesus had not intervened. You see?*[Kc.45v32] [Kc.57v11] [Kc.59v47] [Kc.108v26] [Kc.122v19]*

8 What does Deuteronomy 18 say? "There shall not be found among you... that useth divination, that useth auguries, or an enchanter, or a sorcerer, or a charmer, or one that

inquireth of a spirit of Python, or a soothsayer, or one that consulteth the dead....". You see? They were religious books in which the eternal Jehovah and Moses were the central point like the so-called Christian books today.

9 And today, from this place where I am standing before God, before His holy angels and before men, I challenge the whole Christendom to show me only one book of the Old Testament bearing the name of a priest! There were powerful priests, powerful scribes, powerful men in the priesthood such as Azariah, Amaziah, Zadok, Abiathar in Israel... and Jesus quoted the priest Abiathar as a reference but no book of the Old Testament bears their names, never! Only a prophet messenger is entitled to write. [Ed: The congregation says, "Amen!"].

10 We can see the book of such prophet, the book of such prophet, the book of such prophet but never the book of a priest even if he is a superintendent or chief priest! You see? A pastor, an apostle, a teacher, a prophet of church, a bishop, a reverend or else no matter how powerful he is, God has never given him the right to write a book!

11 You say, "Oh Brother Philippe, the Apostle Peter wrote..." Yes, Brethren! But the twelve Apostles of Jesus Christ could do that as prophets having received their Message directly from God when God was in a human form in the person of Jesus Christ. However, you see that they did not go far, they wrote as scribes! It is the pure truth!

12 Look in the Bible! The book of Nehemiah, the book of Ezra, the books of the Kings and Chronicles are the chronicles of the children and kings of Israel written by scribes. You see? Job is a prophet. David, the author of the Psalms, is a prophet. Doesn't the Bible say that David was a prophet? [Ed: The congregation says, "Amen!"]. [A Brother says, "Acts 2:30"]. Amen! Acts 2:30 says that David was a prophet. You see?

13 When we talk of the Old Testament, we talk of the law and the prophets! Moses, Joshua, Samuel, Jeremiah, Isaiah, Ezekiel, Daniel and after Daniel, a succession of twelve prophets ending with Malachi. You see? Show me only one book written by a priest...! Only a prophet messenger has the right to write a book because he is the one who has a Message!

14 No other apostle can write after Jesus Christ because the prophet from whom he holds the apostleship is not God! No apostle, no teacher, no pastor, no evangelist! ... No matter how powerful Tommy Osborn or Yonggi Cho or Ewald Frank is, if they are of God, they will make all that they wrote disappear to accept only the one of the living prophet messenger of their time. [Ed: The congregation says, "Amen!"].

15 No one can interpret a prophecy, a mystery or anything in the Bible if he is not a prophet messenger... If, thus, a pastor or whoever wants to give a meaning to Joel 2:28, it is a hissing of a serpent! You see?

16 In about three thousand years of Christianity, the Library of God in the days of Jesus counted only thirty-nine books. Where are then the books of the priests, chief priests and others? Where are all those books? They have all been burnt on the altar of Acts 19:19. But today, two thousand years after the Lord Jesus Christ, the library of Satan has reached thousands of books. If from the Old Testament, from Moses to the coming of the Lord Jesus Christ, the Old Testament is the shadow of the New Testament and that the shadow has 39 books, how can there be from the book of Matthew to the coming of the Lord Jesus Christ more than 39 books? You see? But I know one thing: From 1906 to 1965, there was the book of William Seymour and then the book of Prophet William Marrion Branham and from 1965 to 2002, there was no book added to the Library of God that is in Heaven [Ed: The congregation says, "Amen!"]. And after William Branham Matthew 25:6 indicated that one day, it might be added a book in the Library of God: The book of Prophet Kacou Philippe [Ed:

The congregation says, "Amen!"].
17 Burning those false versions of bibles and preaching the midnight Cry without taking anything out, it is to have love and the fruits of the Spirit of the hour. You say, "Oh Brother Philippe, I have...", wait, I find Galatians 5:22... here it is, you say, "Oh Brother Philippe, I have love, joy, peace and meekness...", that is good but if to that, you cannot add those of the Message of your time then you have a demon. [Ed: The congregation says, "Amen!"].
18 Not listening to the cassettes of evangelical praise songs, those are the fruits of the Spirit. You see? ... It is the greatest wisdom and humility to be. When the Protestants burnt the statuettes and images of Mary and Jesus, it was wisdom and humility. When the apostles burnt the Pharisee evangelical books in Acts 19:19, it was wisdom and humility and the Holy Spirit.
19 When the Lord Jesus Christ overturned the tables, scourged those Catholics, Protestants, evangelicals and Branhamists and the members of Islam and Judaism, that was weird but that was the fullness of the wisdom. [Ed: The congregation says, "Amen!"]. They were scandalized. According to them, Jesus should proceed differently. You see?
20 When the Lord Jesus Christ shouted: offspring of vipers, serpent in grass, whited tombs, fools!!!, it was the Word of God. And it is the same Lord Jesus Christ here at midnight burning those Louis Segond, King James, Scofield, Thompson bibles and others! [Ed: The congregation says, "Amen!"]. You must act within the line and limits of the Message of your time and it is that the Spirit of the Message of the hour. But you must not look for the nail polishes and lipsticks of Jezebel.
21 It is like when those churches talk of "mermaid of waters", I do not know if that is in their Louis Segond, Ostervald, King James bible or the Tob bible of their Catholic mom but everywhere they see water, it is the "mermaid of waters ". You see? If that is not in the Bible then it is in themselves that that demon is. Mermaid of waters! What is this? ... Thus, when we speak of an old military truck which came out of the sea in the vision of April 24, 1993, they see "mermaid of waters". It is the blood of their ancestors. When Noah was speaking of the Flood and the water, for their ancestors, it was the "mermaid of waters". When Ezekiel spoke of his visions on the bank of the river Chebar, for them, it was the "mermaid of waters".
22 When Daniel spoke of his visions by the side of the great river Hiddekel, for their ancestors, it was the "mermaid of waters". When the Apostle John spoke of his Revelations on the island of Patmos, for their ancestors, it was the "mermaid of waters". Whether the women in Revelation 12 or the ones of Revelation 17, all that it is the mermaid of waters. When John said in Revelation 13: "I stood upon the sand of the sea; and I saw a beast rising out of the sea..." for them, it is the "mermaid of waters ". And it is not astonishing if their great-grandsons see "mermaids of waters" in the vision of April 24, 1993. [Ed: The congregation says, "Amen!"].
23 Well. When the Gospel came into Africa, these illiterate blacks had powerful fetishes. By those fetishes some had survived serious diseases, others had children, heavy crops... but some preachers stood there and said, "You must burn these fetishes no matter the good they brought you. Because behind these fetishes are demons, fallen angels that answer you. It is the God who has created you who sends us towards you! Naturally, the children of the devil rejected the order of the Message of their time, but the sons of God burnt their fetishes. In those days, that was what God required from them.
24 Then after that, when Satan saw that men departed from his fetishes to go to church, he went himself to church over there and inspired them to make him other forms of fetishes

and disguised his fetish priests as Catholic priests. Rosaries, crucifixes and statuettes were made.
25 And from 1517, by the Message of Martin Luther, God asked that rosaries, relics and giant statues and images of Paul, Peter, Mary and Jesus that the sons of the devil had erected in the churches be burnt.
26 Brethren! To burn an image of Peter, the man to whom the Lord Jesus gave the keys of the Kingdom or an image of our Lord and Saviour Jesus Christ, it was now more difficult than burning a fetish which does not have anything Christian. Burning an image of Mary, oh! The pious Catholic old women had tears in their eyes. They were the demons of those statues that made them behave that way. And you needed to have courage while everyone was cursing you. And in that time, burning a book of magic art or fetish did not mean anything to anybody.
27 Then after that, Satan remembered his hiding place of the beginning; false versions of bibles which are in fact another form of fetish that he himself inspired to make and Satan disguised himself as priests, pastors and prophets.
28 Well. What do you notice? In the same way that the Bible says that our hearts will be turned back to the apostolic time, thus, after the statues, Satan turned back to his books of magic art of the apostolic times. And you see that Satan therefore hides behind books of Yonggi Cho, Tommy Osborn, Benny Hinn and even behind bibles. Thus, burning books of magic art is nothing! Burning fetishes is nothing! Burning graven images is nothing!
29 Then at the end what happened when bibles were burned? Those billions of demons that had rebelled in the heaven and had been cast out on the earth and that had lodged behind books of magic art, fetishes, statues and bibles, entered now in these Catholics, Protestants, evangelicals and Branhamists and members of Islam and Judaism.
30 And they are those demons that people call Holy Spirit in the churches today and they are those fetish books and statues of Mary that are now called Louis Segond bibles, King James, Thompson, Scofield, Tob, and so on... The golden calf of Aaron is again on earth taking the place of God and his prophets. [Ed: The congregation says, "Amen!"].
31 Well. Now be attentive! Why fire in the days of the apostles on the books of magic art, why fire on the fetishes? Why fire in the days of Martin Luther on the images of Jesus and of Mary? Why fire at midnight on those false versions of bibles? Why does fire pursue Satan? Why does fire pursue the Catholics, Protestants, evangelicals and Branhamists? The answer is that because God has destined Satan and his angels to fire... [Ed: The congregation says, “Amen!”].
32 Thus, since the time of the Apostles, through those hiding places, Satan and his angels moved towards the burning lake of fire and brimstone. When Satan and his angels went into the books of magic, those books were burnt by the Apostles. When Satan and his angels went into fetishes, fetishes were burnt. When Satan and his angels went into statues, statues were burnt. When Satan and his angels went into false versions of bibles, those false versions of bibles were burnt. And when the bible was burnt, Satan and his angels went into all those who refuse the midnight Cry.
33 We tell them every day that the holy spirits they have are demons but they refuse! And as we cannot burn them, God Himself prepared a burning lake of fire and brimstone in Revelation 20:11 to 15 for them. You see? In principle, that burning lake of fire had not been prepared for these Catholics, Protestants, evangelicals and Branhamists but since they insist on keeping these demons in them, God will send them all there. It is the same thing for Paradise. You see?

The Message of Matthew 25:6 - Integral text

34 In principle, Paradise was destined to God and the Angels but as God does not want to go there alone, He redeemed us on the Calvary's tree and from generation to generation, He sends prophets to mark the elect under the form of Holy Spirit to take part to the wedding and have eternal Life and live forever in Paradise with Him. And the Holy Spirit being in us, God cannot go to Paradise without us. [Ed: The congregation says, "Amen!"]. That is it!
35 And Satan has also entered in all those Catholics, Protestants, evangelicals and Branhamists behaving like the true Holy Spirit. The Bible even says that this could mislead the elect if it were possible, but it is not possible! If you see Satan using an "assembly of gods" or a Pentecostal speaking with tongues or prophesizing, you will believe that it is the true Holy Spirit but it is a demon. [Ed: The congregation says, "Amen!"].
36 Well. I would like to speak now about the seven dimensions... The first dimension is matter, it relates to all that we can touch, see or feel, even gases, smoke, fog... The second dimension is light, any natural light is in the second dimension. The third dimension refers to times, seasons and periods. And these first three dimensions are in connection with our five natural senses: sight, taste, touch, smell and hearing.
37 Well. The fourth dimension is science; it refers to the waves and chemical reactions. The fifth dimension, it is the torment that is the presence of Satan and demons. It is the country of the lost and dead without Christ. It is the country of nightmares and torments. Luke 16:23 talks about it: "And in hades lifting up his eyes, being in torments, he sees Abraham afar off, and Lazarus in his bosom."
38 Yet, the earth is in the fifth dimension as in 1 Samuel 28. That is why demons have access to us at present. Let's read 1 Samuel 28:11 to 12: "Then said the woman, Whom shall I bring up to thee? And he said, Bring me up Samuel. And when the woman saw Samuel, she cried out with a loud voice; and the woman spoke to Saul, saying, Why hast thou deceived me? Even thou art Saul. And the king said to her, Be not afraid; but what didst thou see? And the woman said to Saul, I saw a god ascending out of the earth." You see? Psalms 82:6 to 7 says that the prophets are Gods and that is why they can enter in the remotest mysteries. [Ed: The congregation says, "Amen!"].
39 Thus, before the everlasting sacrifice, that was possible but now that is no longer possible. There was separation there. There is now the torment on the one hand, where the wicked of the earth go, at the head of whom are the Catholics, Protestants, evangelicals and Branhamists then on the other hand, the Bosom of Abraham.
40 If after death, a fetish priest has access to you then your soul is in the fifth dimension. Or if a man dies and his coffin which is carried makes movements, dances... then that man goes straight to hell, the fifth dimension. Thus, the separation of after death has already taken place and entering Paradise is now direct. The blood of the bullocks only covered the sins but the blood of the Lord Jesus Christ blots them out. And the final separation will take place after the judgment of the white throne.
41 If you are chased in your dreams or if you fly in your dreams your soul is then in the fifth dimension. The separation from the fifth dimension has already taken place. Genesis 1:2 is no longer possible! 1 Samuel 28 is no longer possible! You see? What does Genesis 1:1 to 10 say? You see? What does verse 2 say, "... And darkness was on the face of the deep, and the Spirit of God was hovering over the face of the waters." What is it? It is the fifth dimension. Waters and the deep are the same water but verses 6 and 7 already indicated this future separation. And I indicated that Genesis 1:6 to 7 had already taken place! Amen! There were henceforth waters which are above the expanse and waters which are below the expanse. And Luke 16:19 to 26 says also that it is so! But in 1 Samuel 28 why did that woman have

access to the Prophet Samuel? Theologians say that it is not Prophet Samuel but the Bible says clearly that it is him and we stick to what the Bible says. Why did she therefore have access to the Prophet Samuel? The answer is that before the everlasting sacrifice and since the sin in the Garden of Eden, Satan had the keys of the only dwelleth of the dead but the Lord Jesus Christ took back those keys from him at the Resurrection.

42 Revelation 1:17 to 18 says, "And when I saw him I fell at his feet as dead; and He laid his right hand upon me, saying, fear not; *I* am the First and the Last, and the living one: and I became dead, and behold, I am living to the ages of ages, and have the keys of death and of hades." Amen! It was our redemption! [Ed: The congregation says, "Amen!"].

43 You do see that each person on the earth has had contact with this fifth dimension. Some are no longer there for having accepted the Gospel of their time, but others remained there and some whole churches are there after the example of this Branhamist assembly where the protective cherub of whom pastor David is the mouthpiece descends regularly to seize some of the faithful, a young banker particularly, named Marcel. And this demon shakes him, disfigures him, masters him and causes him to walk as a horrible monster. It is the protective cherub of their church. That is the fifth dimension.

44 The Catholic, Protestant, evangelical and Branhamist churches including Islam and Judaism are regions of the fifth dimension. All these churches that you see, these missions and ministries, all that you see around you, they are countries of the fifth dimension. [Ed: The congregation says, "Amen!"].

45 Well. Now the sixth dimension is under the altar, that is, the bosom of Abraham. Where the dead in Christ are. Revelation 14:13 says: "And I heard a voice out of the Heaven saying, Write, Blessed the Dead who die in the Lord from henceforth. Yea, saith the Spirit, that they may rest from their labours; for their works follow with them. ". You see? They are already saved as we see it in Revelation 6:9 to 11: "And when it opened the fifth seal, I saw underneath the altar the souls of them that had been slain for the Word of God, and for the testimony which they held;" Amen!

46 They are the souls under the altar, they are the saved ones. They are in the bosom of Abraham. They are in the sixth dimension. And these three other dimensions are in connection with the five senses of the soul: imagination, reason, feelings, memory, and conscience. You see? God manifests Himself in three attributes: the Father, the Son and the Holy Spirit. And the Church also manifests itself in three attributes: the body, that is to say, the members, the soul, that is to say, the living prophet, and the Spirit, that is to say, the Angel of God who leads the prophet. Without that, it is not the Church of God.

47 The body has five senses, the soul also has five senses but the spirit has only one sense. Either it is faith, or it is doubt. Either it is of God, or it is of the devil. That is why the body is the matrix of the soul, the soul is the matrix of our spirit and our spirit is the matrix of the Holy Spirit. [Ed: The congregation says, "Amen!"].

48 Well. We notice now, that after death, on the other side, the fifth and sixth dimensions are separate. Yet, in 1 Samuel chapter 28, this woman necromancer of demons had had access to Prophet Samuel because, at that time, Paradise was on the earth in one place, the sheol, that is to say, the bosom of Abraham and the torment, the fifth dimension and sixth dimensions were together. But after the everlasting sacrifice, Jesus entered into the sheol and came out with all the saints since the Old Testament. The Lord Jesus Christ said: "... I am living to the ages of ages, and have the keys of death and of hades." On that day, the Lord Jesus Christ separated the two dimensions. [Ed: The congregation says, "Amen!"].

49 But the sixth dimension is still within the fifth dimension on the earth, they will be

separated during the Millennium. You see? The Lord Jesus Christ said, "They are in the world but they are not of the world". The earth was within the sixth dimension in Eden before the sin, but it has now become the fifth dimension.

50 The Garden of Eden was placed under the altar in the sixth dimension. What was then the fifth dimension? The abyss. You see? The Lord Jesus Christ said in Mathew 16 that the gates of the fifth dimension shall not prevail against us because we are, being here on earth, in the bosom of Abraham through the new Birth and the baptism of the Holy Spirit.Thus, when you see those pagan dances, those smokers, those young girls in pants and miniskirts, those tight skirts, tight Maxis, make-ups, false hair, women who preach in the churches or lead some churches while they have menses every month, putting pads underneath them, it is the fifth dimension.

51 When you see those parades of young girls in underwear that you call "Miss Competition..." it is the fifth dimension. Oh! Mercy! ... The Bible says that that tormented Lot. When Lot saw men going to churches led by women and those women were laying hands upon them, the soul of Lot was continually tormented. [Ed: The congregation says, "Amen!"].

52 And now the Seventh dimension, it is the presence of God and the holy angels... Distances do not exist in this dimension, because an Angel can be here at a meter from us but we cannot see him because we are not in same dimension. He can even be within us and we cannot feel him because we are not in the same dimension. [Ed: The congregation says, "Amen!"].

53 Well. Now before going into details, I would like to talk first about another dimension which is not in the number of these and if this Revelation exists even partly somewhere, I do not know... and this is another dimension, a new dimension and it is indeed about it that I would like to talk first in depth. You see?

54 The moon, the stars, the sun, the nine planets which are Mercury, Venus, the Earth, Mars, Jupiter, Saturn, Uranus, Neptune, and Pluto. And all those elements and other stars form only one galaxy yet there are thousands of galaxies. And the question we often ask ourselves is: What is the role and use of these planets for us? Will we inhabit them one day? ... I do not know what scientists say about it but the dream of inhabiting them one day will not come true and if they modify something over there, then the earth will undergo the consequences from them because all these stars and the other galaxies are the forces that govern the phenomena of the earth and its elements.

55 Do you know that the position of the moon influences the level of the sea and that the position of the sun influences the earth? Whether the seasons of the year and even the air we breathe, know that each element has a role in the natural and supernatural phenomena of the earth. The sun, the stars, the moon, the planets and each small star exert an influence on the earth, on its slope and on our growth and subsistence in this other dimension.

56 These stars and galaxies are living beings like the plants that you see. The air we breathe and life on earth are the effects of each one of them. That is why Genesis 1:1 says that God created them before creating the earth. "In the beginning God created the Heavens and the earth."

57 So to a certain extent, the earth is not a planet like Jupiter, Saturn, Venus and others. I say that because they are the other planets that God took to form the earth like He took the ground to form us. We can only say that the earth is a planet as we also say that man is dust.

58 Man is thereby the molecule of any creation and existence including God Himself. Man is the finality of the creation of God and when God created man, He said that it was very good.

The Message of Matthew 25:6 - Integral text

You see? Very good! [Ed: The congregation says, "Amen!"].
59 Do you know that if the earth loses only its calcium we will all die? That is the same thing! If man destroys only one of these stars, the earth will undergo repercussions from them. You see? In the same way that the cells of our system subsist by these mineral salt and others, thus the earth and these elements subsist by these stars and galaxies.
60 The fact that these astronauts go on the moon and others is already a danger, later you will see the imbalance that will cause to the earth! There will be diseases due to that. If only one of these stars is removed, the Earth's atmosphere will be modified. The exploration of these stars is too much of a curiosity. Man did not need them.
61 Man explored the human body and that produced a positive result but it will not be the same for this experiment. You see? If you open a TV set, you will see a multitude of integrated circuits, diodes, condensers, and so on ... each one of them had a role in the result that you obtain on the screen. And in all those galaxies, the earth represents the screen of the television.
62 Now be attentive to what I am going to say: the earth is the place of execution of all the forces coming from all the stars and galaxies. As in a TV set, there is a galaxy that represents the light zone, there is a galaxy that represents the sound zone, another galaxy for the colour zone, another galaxy for images... and the earth is the zone of execution of all these galaxies in a dimension different from the first seven dimensions.
63 And each zone forms a heavenly constellation which has nothing to do with the zodiac which is diabolical. Numerology, astrology and similar things are false and diabolical. No star can exert a spiritual influence upon a person. They are demons who do that! But the fact of believing in those things, a demon comes and stands behind that to influence your life according to what is predicted... the zodiac, the twelve constellations about which astrologers speak do not even have their then position.
64 According to astronomers, there is a shift of one degree (1°) every 72 years between the constellations according to the precession of the equinoxes. Thus, there is a shift of a sign every 2000 years.
65 Well. By the story of the magi and others, we know that God also spoke through those stars. But now, observe this question: About 2000 years from today, was Revelation 12:1 perceptible from the island of Patmos? Did John see Revelation 12:1 from stars? My mind about that is that John did not see stars describe that. It is by visions that he spoke but the heavenly constellations indicated also that from Patmos.
66 In the same way that we were created from the ground and its mineral salts, it's also in this way that God created the earth in connection and from stars and galaxies. God took a part of each of them to create the earth. God created them before creating the earth... because the life on the earth depends on their stability, influence and even of their positioning.
67 Now let's take respectively Genesis 1:27 and Genesis 2:7, observe this! Our body was created from the ground, that is to say: mineral salt, God formed us from oil, iron, calcium, potassium, zinc, sodium, magnesium... And when we are sick, that is due to an imbalance at their level.
68 See drug instructions! Be attentive! The Holy Spirit is God Himself and God created our body from the dust of this earth but what is it of our soul? What is it of our spirit with small "s"? Do you understand? That is it! ... Elements of the ground, of the Millennium and the eternity as at the creation. Amen! Let's stand up now!
